General Price List

These prices are effective February 13, 2020 but thereafter are subject to change without notice. The goods and services shown are those we can provide to our customers. You may choose only those items you desire. However, any funeral arrangements you select will include a charge for our basic services and overhead. If legal or other requirements mean you must buy any items you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

Basic Services Of Funeral Director And Staff **\$1995**

Our basic service charge includes, but is not limited to staff to respond to initial request for service; arrangement conference with family or responsible party; preparation and filing of necessary certificates and permits; placement of obituary notices; planning of funeral arrangements; coordination of service with cemetery, crematory, vault companies and others as required. Also included is the charge for overhead expenses relative to our facilities such as professional licensing, legal and accounting fees, insurance, building and utility expenses, parking lot and grounds maintenance, property taxes, equipment, furnishings, inventory costs, record keeping and secretarial and administrative expenses. This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. (This fee is already included in our charges for direct cremation, immediate burials and forwarding or receiving of remains.)

Embalming **\$ 495**

Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial.

----------------------------	--------

In most areas of the country, state, or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements.
